About Verbio:

At Verbio we make more from biomass. In our biorefineries we convert raw materials and residues from regional agriculture into climate-friendly fuels, green energy and renewable products for chemicals and agriculture. In addition, we create high-value components from sustainably-generated biomass for the animal feed and food industries. We employ more than 1,000 people at our locations in Europa, Aisa and North America. Our motto "Pioneering green solutions" sums up what drives our international team: with innovative technologies and green solutions, we are shaping the social and industrial transformation toward climate neutrality and ecological production. We contribute to preserving natural resources and to safeguarding the planet's environment for future generations. In doing so, we combine global growth with commercial success, social responsibility and security of supply. Verbio shares (ISIN DE000A0JL9W6/WKN A0JL9W) have been listed in the prime standard segment of the Frankfurt Stock Exchange since October 2006. Our headquarters are in Zörbig, Germany.
